

Discover the Awake World

Cultivating Wisdom for Parents and Youth & Teens

TWO AWAKENED TEACHERS ZEN MASTER THICH DIEU THIEN & ZEN MASTER THICH THONG HOI

- With infinite Wisdom and boundless Compassion, Awakened Teachers will help parents and children realize in themselves that they have Awake Mind and have the capacity to return to live with Awake Mind, liberating all suffering to always be clear, pure, fresh, truly happy and free in any situation, disturbed by nothing.
- Open the wisdom for parents and children, helping them to feel Awakened happiness when return to Awake Mind, be open, truly understand each other with open heart and true love, without judgment, perception or comparison and thereby resolve any misunderstanding or conflict.
- Awaken the Awake seed inside in each person, regardless of age, race, religion or background, to realize and become one with Awake, liberating all suffering and have Awakened happiness.
- Both parents and children have a chance to be in a pure and serene environment close to nature, be unplugged from technology, participating in meaningful activities to help them develop and nurture the Awake seed within them.
