

# Thay is the Sunshine

*~ Awake Sangha ~*

*Thay is the sunshine  
The only sunshine,  
We need your brightness  
To light the world.  
We sincerely vow to Wake Up,  
To break the cycle of birth and death.*

*Without your guidance  
Where would we be?  
Only your wisdom  
and your compassion,  
can Awaken  
us from illusion  
and end the system of ego.*

*Thay helps us open  
Our wisdom eye.  
To see the truth  
of who we are,  
And we're forever,  
So very thankful.  
Dear Thay please bring us to your world  
Dear Thay please bring us to Awake World.*
